

VISION STATEMENT

“TO PROVIDE A CHRIST-CENTRED LEARNING ENVIRONMENT THAT EMPOWERS EACH INDIVIDUAL TO ENJOY A LIFE OF PURPOSE”

UNIFORM POLICY

RATIONALE:

The College uniform is an important part of the identity of the College and it is the intention of the College to maintain standards of dress, which ensure the students are a credit to their families, their College and themselves. This standard can only be achieved with full and consistent co-operation from parents, students and staff.

PRINCIPLES and VALUES:

The College uniform is compulsory for all students because uniform:

- Is unifying and provides a common standard for all students.
- Is part of the College identity and gives a sense of belonging.
- Provides adequate safety and is appropriate for everyday activities.
- Assists in engendering pride in personal appearance and trains students in personal presentation and grooming for later life.
- Contributes to good discipline and public order and teaches responsibility of representing others to the wider community.
- Teaches Godly submission to authority.
- Teaches students self-discipline.
- Is socially non-competitive and reduces peer group pressure.

GENERAL GUIDELINES:

- All Uniform items except shoes must be purchased from the College Uniform Shop.
- All parents have agreed to send their child to the College in correct uniform each day.
- Presentation must be clean, neat and tidy and worn in a respectable manner.
- Presentation will be such as to bring favourable comment on the College from prospective parents and the general public and not draw unusual attention to the student.
- Parents will be contacted when breaches of the uniform policy are noted.
- The College’s commitment is to support parents in ensuring that students are correctly dressed.
- All students are considered representatives of the College from the time they leave their home in the morning and until they return in the afternoon whilst wearing the College uniform.
- A note from the student’s parent must accompany any variation of uniform and the proposed date that the variation will be rectified and it will be at the Head of Primary or Secondary’s discretion as to whether the reason and timeframe given is valid.
- Temporary variations to the uniform made by the College will be communicated in writing.
- Parents are advised to check with the respective Head of Primary or Secondary prior to non-uniform shop purchases such as shoes as to whether or not the item complies with the uniform policy in order to avoid disappointment and additional expense.
- In any dispute over whether a particular uniform breach of these guidelines shall or shall not apply, the discretion rests with the Headmaster or his representative.
- The Headmaster has appointed all staff to monitor and encourage the correct wearing of the College uniform. The Executive Leadership of the College shall administer any consequences that may be necessary as a result of non-compliance with this policy.

CONSEQUENCES:

It is expected that as a condition of enrolment all College students will wear the applicable College uniform each day unless notified by the Head of Primary or Secondary or the Headmaster. Failure to comply with the standards and expectations of this uniform policy will incur disciplinary procedures and consequences. The disciplinary procedures and consequences may include but are not limited to letters of warning, confiscations, detentions, student isolations, suspensions and termination of enrolment. Consequences for repeat infringements will be incremental in severity whilst being appropriate to the age of the student.
