

2026 Bus Fees

Mount Annan Christian College Bus

We are blessed at MACC to provide a private subsidised bus service for students, operating both in the morning and afternoon. This service runs outside of the public bus services to transport students to and from the College.

The College maintains a fleet of modern, well-maintained buses and employs experienced drivers who support the Spirit and Christian values of the College. All buses utilise a CCTV system to monitor both driver and student behaviour. The 'RollCall' program is used with our buses to provide parents with a safe and transparent means of transport.

Students tap-on, tap-off the bus on a hand-held device. Parents/carers are able to track your child's journey in real-time and receive instant notifications and email alerts about any variations or deviations from the intended journey. Alerts are sent to the school for bus absences.

The service covers four routes:

Route	Capacity
Bingara Gorge	39
Picton	53
Harrington Park	41
Spring Farm	57

Note: Once booking reach the capacity numbers, no new applications will be taken and full time travel will be prioritised.

Application Process

Applications for full time use will be prioritised, applications for part time use will be allocated based on "first come, first served" basis and will be reassessed each term to accommodate any changes in full time usage.

All students, including those registered for travel in prior year, must complete a new registration at the start of each school year. This ensures that we have accurate and up-to-date travel and contact details.

- Students must tap on and off the bus using the College issued tag.
