FAQ

How do I enrol?

Please scan the QR code and complete the enrolment Jotform.

When does it start?

Rosters are sent out at the beginning of Term 1. Music Tuition starts in Week 2 of Term 1 and Week 1 of each term thereafter.

How do I pay for Music Tuition?

All fees are added onto school fees. Charging for Music Tuition takes place at the end of each term.

Does my child need to practice at home?

It is recommended as practising at home will further develop their skills and enable your child to progress further on their chosen instrument.

Is there a recommended at home practice routine?

Yes, students should seek advice from their tutor about the recommended amount of time to practice each week so it can be tailored to their learning.

Is there a book I need to purchase?

Books or any additional resources are decided by the tutor as each instrument is different. If this is needed, either the tutor or the school will be in contact to let you know. Extra resources are not a requirement nor compulsory to purchase, they are only a recommendation to student learning.

If my child no longer wants to participate in lessons, what is the process?

4 weeks written notice must be emailed to music@macc.nsw.edu.au

What is Keyboard Club?

Keyboard Club is an affordable introduction to music lessons. Each week students will be involved in small group lessons (For 2 to 6 students) for students in Prep – Year 2 that will foster a love for music whilst building keyboard foundational skills using a sing/play/move approach. Students will then have the option to move onto private/shared lessons.

I have further questions, who do I contact?

Please email music@macc.nsw.edu.au or call 4634 7474.
