

Bus Fees Per Term from 2025

No. of children per family	Radius inside 12km	Radius outside 12km
1	195.00	235.00
2	385.00	475.00
3	580.00	580.00
4	580.00	580.00
5	580.00	580.00
6+	580.00	580.00

- Students must tap on and off the bus using the College issued tag
- These prices are for students travelling every day , preference is given firstly to students reserving a place on the College bus for travel to and from the College every day
- Distances are calculated as the number of kilometres between a student's residential address and the College
- For students reserving a place on the bus for less than 5 days per week, the fees will be based on the days reserved, regardless of whether the student actually travels on those days.

Fees for less than fulltime daily travel will be calculated on a pro-rata basis.

For example:

A student reserves a place on the bus 3 times per week am & pm from Gregory Hills (inside the 12km radius). Fees would be $\$195.00/10 \text{ trips} \times 6 \text{ trips} = \117.00 per term
